

Mercy University Hospital, Cork is a Catholic Voluntary Hospital founded in 1857 by the Sisters of Mercy. It is a centre of National and International excellence, renowned for its research and tertiary services and is a teaching hospital of University College Cork. The Mercy University Hospital provides specialist in-patient, day-patient out-patient services and accident and 24/7 emergency services in the centre of Cork City.

We are currently looking for candidates to fill the following position(s);

Clinical Nurse Specialist (Permanent)

Hepatobiliary Pancreatic surgical oncology

(Under the Governance of Mercy University Hospital Cork CLG.)

The purpose of this post is to provide a specialised service to adult patients who are diagnosed with Hepatobiliary Pancreatic cancer. The post supports the service to deliver care and to effectively manage the resource of the Hepatobiliary Pancreatic Surgical Oncology Service. This service is provided to patients in two hospitals in the SSWHG – Mercy University Hospital and Cork University Hospital.

Responsibilities - The post holder will;

- Provide a specialist nursing service for patients with a diagnosis of Hepatobiliary Pancreatic cancer who require support and treatment through the continuum of care
- Use the outcomes of patient assessment to develop and implement plans of care/case management in conjunction with the multi-disciplinary team (MDT) and the patient, family and/or carer as appropriate. Co-ordinate investigations, treatment therapies and patient follow-up
- Make alterations in the management of patient's condition in collaboration with the MDT and the patient in line with agreed pathways and policies, procedures protocols and guidelines (PPPG's)

*** **Additional duties and responsibilities are available from the job description**

Eligibility Criteria – Candidates must:

- Be registered in the general division of the Register of Nurses maintained by Nursing and Midwifery Board of Ireland
- Have at least 5 years recent post registration clinical experience of which 2 years experience in the caring for patients with Upper Gastrointestinal Cancer.

Desirable:

- Hold a recognised post-registration qualification in Upper Gastrointestinal Cancer Nursing.
- Candidates will be able to demonstrate evidence of a commitment to personal professional development, training and nursing research.
- Possess excellent interpersonal and organisational skills, and be able to demonstrate a high standard of verbal and written communication skills.

Closing Date for Applications: Wednesday 12th December 2018
