

Mercy University Hospital, Cork is a Catholic Voluntary Hospital founded in 1857 by the Sisters of Mercy. It is a centre of National and International excellence, renowned for its research and tertiary services and is a teaching hospital of University College Cork. The Mercy University Hospital provides specialist in-patient, day-patient out-patient services and accident and 24/7 emergency services in the centre of Cork City.

We are currently looking for candidates to fill the following position(s);

Clinical Nurse Manager II – Oncology

St Therese's Ward

Permanent

(Under the Governance of Mercy University Hospital Cork CLG.)

The CNM II is an essential member of the Nurse Management Team. The role involves the implementation and evaluation of nursing services, the maintenance of the optimum clinical environment, the clinical working environment and the enhancement of an effective clinical learning environment. The post is central to the co-ordination and management of activity and resources within the ward.

Responsibilities - The post holder will be responsible for;

- Assessing, planning, implementing and evaluating the nursing care of assigned patients
- Practice nursing according to the Code of Professional Conduct and Ethics for Registered Nurses and Midwives (NMBI 2014)
- The management and support of all nursing and Para-nursing staff in the clinical area in consultation with the Senior Nurse Management team and the Oncology CNS.
- The maintenance and development of professional nursing standards.
- The maintenance of a safe environment for patients and staff within allocated resources
- The promotion of multi-disciplinary team working

Eligibility Criteria - Candidates:

- Be registered in the General Division of the Register of Nurses kept by the Nursing and Midwifery Board of Ireland (NMBI)
- At least 2 years recent post registration experience in Oncology
- Provide evidence of clinical and professional managerial ability, leadership, communication and organisational skills
- Excellent interpersonal skills
- Provide evidence of ongoing professional development
- Evidence of leading clinical practice initiatives
- Evidence of promotion of multi-disciplinary team work
- Management Course (Desirable)
- Evidence of leading clinical practice initiatives
- Evidence of promotion of multi-disciplinary team work

Closing Date: 1pm Friday 18th January 2019
