

Mercy University Hospital, Cork is a Catholic Voluntary Hospital founded in 1857 by the Sisters of Mercy. It is a centre of National and International excellence, renowned for its research and tertiary services and is a teaching hospital of University College Cork. The Mercy University Hospital provides specialist in-patient, day-patient out-patient services and accident and 24/7 emergency services in the centre of Cork City.

We are currently looking for candidates to fill the following position(s);

## Practice Tutor, Diagnostic Radiography

*(Under the Governance of Mercy University Hospital Cork CLG.)*

Responsible for the day to day planning and implementation of an effective training programme for UCC MSc Radiography students on clinical placement within the clinical placement site (s). Develop the capacity and quality of postgraduate Radiography clinical education programme and support both students and Practice Educators/Radiographers.

### Responsibilities - The post holder will;

- Liaise with UCC Practice Education Co-ordinator to ensure optimum Radiography Clinical education and learning experience for students across each year of the programme.
- Organise and co-ordinate placements in the clinical placement site(s).
- Provide induction to students on Radiography Clinical education, site policies and procedures relevant to their placements.
- Ensure student learning contracts/placement objectives are agreed at the start of each placement in conjunction with the Practice Educator/Radiographer.
- Participate in the clinical supervision of students during patient intervention (where appropriate) in collaboration with the Practice Educators/Radiographers.
- Organise relevant tutorial, group and peer learning activities relevant to students before, during and after placement.
- Provide advice, support and assistance to the Practice Educators/Radiographers in the assessment of student performance, in collaboration with the Practice Education Co-ordinator and relevant University staff.
- Collaborate with UCC Practice Education Co-ordinator in providing support to Practice Educators/Radiographers through mentoring and the organisation, design and delivery of CPD workshops and courses related to education and evidence-based practice.

### Eligibility Criteria - Candidates:

Candidates must, on the latest date for receiving completed application forms for the post,

- Possess a BSc(Hons) degree in Radiography or equivalent.
- Have at least 3 years full-time satisfactory post qualification clinical experience.
- Be CORU registered

Applicants who obtained their professional qualification outside of the Republic of Ireland are required to have it validated by the Department of Health and Children prior to taking up employment.
