

Mercy University Hospital, Cork is a Catholic Voluntary Hospital founded in 1857 by the Sisters of Mercy. It is a centre of National and International excellence, renowned for its research and tertiary services and is a teaching hospital of University College Cork. The Mercy University Hospital provides specialist in-patient, day-patient out-patient services and accident and 24/7 emergency services in the centre of Cork City.

We are currently looking for candidates to fill the following position(s);

Registrar in Paediatrics

Paediatric Service

(Under the Governance of Mercy University Hospital Cork CLG.)

Paediatrics currently has 16 inpatient beds and accommodates 7 day-case beds. We routinely refer children to specialist centres as necessary. Approximately 5,000 children attend the Mercy University Hospital emergency department per year, and typically, over 1,000 children are admitted per year.

The ward accommodates approximately 2,000 paediatric day cases a year. These cases can include paediatric surgery and various medical investigations. Medical investigations such as Magnetic Resonance Imaging (MRI) brain and bloods are facilitated by sedation where necessary. Botox injections are provided under general anaesthetic or sedation to children attending the spasticity management clinic - Enable Ireland, School of the Divine Child, Lavanagh, Ballintemple, Cork.

Responsibilities - *The post holder will be responsible for;*

- Attending daily ward round
- Updating medical notes with working diagnosis, and action plan
- Ensuring Problem list is up to date
- Ensuring investigation flowcharts are kept up to date
- Writing clear and concise discharge summaries

Eligibility Criteria - *Candidates:*

- Each candidate must hold registration with the Irish Medical Council or Specialist Division Registration with the IMC
- Must have sufficient command of the English language to effectively carry out the responsibilities listed above

Closing date for applications: *1pm Tuesday 16th April 2019*
