

Mercy University Hospital, Cork is a Catholic Voluntary Hospital founded in 1857 by the Sisters of Mercy. It is a centre of National and International excellence, renowned for its research and tertiary services and is a teaching hospital of University College Cork. The Mercy University Hospital provides specialist in-patient, day-patient out-patient services and accident and 24/7 emergency services in the centre of Cork City.

We are currently looking for candidates to fill the following position(s);

Senior Clinical Measurement Physiologist (Permanent) GI Physiology

(Under the Governance of Mercy University Hospital Cork CLG.)

Under the direction of the Chief II and Chief I GI Physiologists the appointed Physiologist will undertake the duties appropriate to a Senior GI Physiologist. This post will allow the post holder to develop and expand their experience in supervisory and management areas, whilst continuing to provide a quality service for patients by ensuring that every patient is treated as an individual in terms of courtesy, kindness, efficiency, efficacy, and confidentiality.

Responsibilities - *The post holder will be responsible for;*

- *Provide a comprehensive range of clinical tests within established guidelines and follow all departmental protocols as appropriate*
- *Perform calibration, routine maintenance and cleaning of equipment as per departmental guidelines*
- *Provide first line electrical and medical gas safety checking and calibration on patient testing equipment as per department guidelines*
- *Participate in department Quality control programme to ensure accurate and reproducible results.*
- *Ensure that clinical and patient care standards are adhered to as per departmental guidelines*
- *Maintain clear and accurate patient records as per hospital policies*
- *Maintain accurate statistics and participate in audit and evaluation of services*
- *Participate in research as required*

Eligibility Criteria - *Candidates:*

Certificate in Medical Physics & Physiological Measurement - DIT

BSc in Clinical Measurement - DIT

Or an equivalent relevant scientific qualification (Level 8) as confirmed by the Irish Institute of Clinical Measurement Science (IICMS)

3 years satisfactory relevant post qualification experience
