

Mercy University Hospital, Cork is a Catholic Voluntary Hospital founded in 1857 by the Sisters of Mercy. It is a centre of National and International excellence, renowned for its research and tertiary services and is a teaching hospital of University College Cork. The Mercy University Hospital provides specialist in-patient, day-patient out-patient services and accident and 24/7 emergency services in the centre of Cork City.

We are currently looking for candidates to fill the following position(s);

Senior Respiratory Physiologist

(Under the Governance of Mercy University Hospital Cork Ltd.)

The Senior Respiratory Physiologist is an essential member of the Respiratory Medicine Team. The successful candidate will have a key role in our expanding Respiratory and Sleep laboratory.

Responsibilities - The post holder will be responsible for;

- Conduct a full range of routine pulmonary function tests including, spirometry, reversibility, diffusion capacity and static lung volumes.
- Conduct specialized pulmonary function tests, cardiopulmonary exercise tests and inhalation challenge tests.
- Conduct sleep studies: both limited and full.
- Responsibility for all aspects of quality control and standards in the lung function laboratory.
- Perform other such duties appropriate to the office as may be assigned to him/her from time to time.

Eligibility Criteria - Candidates:

- Certification in Medical Physics and Physiological Measurement or a B Sc in Clinical Measurement or equivalent qualification.
- Membership of the Irish Institute of Clinical Measurement Science.
- Clinical laboratory experience in pulmonary function testing essential.
- Previous participation in a sleep laboratory / polysomnography service desirable.
- Previous experience with cardiopulmonary exercise testing desirable.
- Demonstrate good communication and interpersonal skills
- Demonstrate evidence of continuing professional development

Closing Date – 1pm, April 6th 2018
